

International students at the University of Tokyo Kashiwa Campus

Would you like to interact with Japanese volunteers?

Mitsui Volunteer Network (Mitsui V-Net)

Deepening mutual understanding
through one-on-one interaction
with Mitsui V-net Volunteer members

We will introduce you to a Japanese exchange partner.
You can meet at mutually convenient times (1-4 times a month),
Let's enjoy one-on-one dialogue in Japanese!

May your stay in Japan be a fulfilling one !

※What is Mitsui V-Net?

We are a volunteer organization established with the cooperation of Mitsui-Group companies.

Members are mainly seniors from Mitsui Group companies and engage in various volunteer activities.

Here at Todai Kashiwa, our main activity is international exchange.
We organize one-on-one interaction and various events for international students.

We would happy to use our extensive experience during our active career and provide you assistance and advice on a variety of issues in any way we can
