offered.

## Eligibility and Conditions

While you're an international student of YNU, you are eligible to apply to this program. As Mitsui V-Net sometime do not have sufficient number of volunteers, Mitsui V-Net may not always find your volunteer for "One on One Interaction". Even under such circumstances, you may be invited to participate in some of the events organized by Mitsui V-Net on first come first served basis if there is any vacancy. In the meantime your name will be recorded until your volunteer is found.

There is no fee to join this program. However, when you participate in events you will be asked

## Registration

Fill in the " Application form " (please type) and submit by sending attachment file to with Mitsui V-Net in subject line from your YNU Email account.

Upon receiving the list of applicants Mitsui V-Net committee will nominate your volunteer.

Your volunteer will contact you later and start One on One Interaction.

Invitation.

Fill out the application form.

Submit to the professor.

Contact from Mitsui V-Net.

Get to the support & enjoy!

## Graduates' impression

【H.B. United Kingdom】I would highly recommend the Mitsui V-Net program to any future students as it has helped me to improve my knowledge of Japanese and my understanding of Japanese culture.

【T.E. Honduras】I joined Mitsui V-Net, where the volunteer helped me navigate life in Japan, learn the language, and experience its rich culture. Thanks to him and the network, my time in Japan has been enriching and enjoyable.

【O.V.Moldova】 We visited the automobile manufacturing plant. Many of the robotic, synchronized manufacturing process, smooth progress of the works were very impressive for international students.

## About Mitsui V-Net

Mitsui Volunteer Network ( Mitsui V-Net ) is the volunteer group established by the Group of Mitsui Companies in 1996. This Mitsui has been contributing to Japanese industrial developments since the 17th century. The volunteer members of Mitsui V-Net are experienced business people and engineers. And this support program has been provided by Mitsui V-Net under full cooperation with YNU.
